

The Unknowns

Stage Plot

*Mic'd Amps

Kim – Keyboard – singer

Allison – Ukelele – singer

Caitie – Tenor Telecaster – singer

Sarah – upright bass

Melanie – drums

The three singers should be mic'd equally, as they sing three-part harmony quite a bit.

Allison and Caitie will probably share an amp.

We will be renting our equipment in France, so we can't tell you much about that yet. The above is our normal stage plot. We know that things may be a lot different at the Sofar concert.
